

Aims and Objectives 2009 – 2010

Theme for the Year:

CONSERVATION THROUGH COOPERATION AND SERVICE

Vision Statement:

The development of dynamic clubs is a priority. Central to this idea is the development of good leadership skills at club level together with an expanding membership.

Objectives:

- 1) To enhance the current Membership, Recruitment and Retention Initiatives as a response to the Incoming International President Lion Eberhard Wirfs' theme "Move to Grow".
- 2) To extend our Youth Activities Programme by adding a music, dance and arts event.
- 3) To facilitate greater liaison between Clubs in District 105A.
- 4) To highlight the necessity for Conservation Initiatives in response to Global Climate Change.
- 5) To promote International Fellowship by twinning District 105A with District 60A in the Caribbean.
- 6) To expand the Youth Exchange Programme by encouraging more British Youths to take advantage of the scheme.
